Lesson procedure:

Warm up and maintenance:

1. Set the atmosphere and greetings

Let's get the atmosphere of Halloween started right from the beginning of class.

NOTE: Not too scary! Some of the activities in this lesson could be a little scary for younger students so make sure you get the right tone – fun and safe!

Before class think about how you can make the room and lesson come to life. This all depends on your resources, but some ideas can be:

- turn off some lights and close curtains to make the room darker. Place some jack-o-lanterns around the room.
- get some glow-in-the-dark stars and shapes and stick them around the walls
- rearrange the furniture
- have some eerie music playing in the background
- hang decorations around the classroom, such as bats and ghost crafts (if you do with other classes you can build up the decorations as you do crafts each lesson)
- dress up as a Halloween character (if possible, one of the characters you are teaching in this lesson).
- in a previous lesson ask students (or their parents) to come to this lesson in Halloween fancy dress. This is great fun and you can have a fancy dress party during the lesson with prizes for best, scariest, funniest, etc.

Have everyone wait outside the classroom until it is time to go in. Stand at the door and as each student enters greet them by name and say, "Happy Halloween!" and have them reply "Happy Halloween".

2. Play "Feel in the boxes"

Before class, prepare some cardboard boxes. These are going to hide Halloween-related things that the students have to feel and guess what they are. Prepare the boxes by cutting a hole in one side, just large enough to put your arm through. Inside the boxes place some "Halloween" type objects which you can pick up in discount and party stores, such as:

- plastic bats, spiders, etc.
- goo or slime
- jello shaped as a brain
- spider webs
- cooked, cold spaghetti noodles (worms)
- peeled grapes (eyeballs)
- fake fur (monster hair)
- cooked rice (maggots)
- tofu (simply feels gross)
- dried pasta (teeth or bones)

Allow the students to wonder around the classroom and feel inside the boxes and try to guess what each object is. This is bound to cause a lot a screams and laughter, but everyone will thoroughly enjoy it and it will be well worth the effort of setting it up.

Finally, have everyone sit down and ask what they think is in each box (e.g. "I think it's worms!") and then take out each item to show everyone what it really is.

Before continuing, get everyone to help you clear everything to the sides of the classroom.

3. Name tags

Before class, prepare some name tags (stickers or pin-on tags).

If your students can not write their names well:

have each student's name written in dots or dashes in lower-case letters on the tags.

Sit down with your students and lay out the name tags in front of you. Pick up each tag and encourage the student to recognize his/her name. Do this for everyone.

Finally, have everyone take out a pencil and trace their name on their tags and stick them on.

If your students can write their names well:

simply give a blank name tag to each student to write their name on in pencil and stick it on.

4. Glove puppet greetings

Bring out your glove puppet bag and have everyone shout "Hello!" into the bag until he wakes up and jumps out of the bag. Then model chatting with the glove puppet ...

Puppet: "Hello", What's your name?"

Teacher: "My name is..."

Puppet: "How are you?"

Teacher: "I'm fine, thank you".

... and then have the puppet say hello to each student and ask them the same questions.

Then have the puppet ask any other questions practiced in previous lessons.

Finally, go around saying "Goodbye" and "See you" before going back into the bag and back to sleep.

5. Sing "The Hello Song"

Sit in a circle and sing the song (clap along or pat knees).

Lyrics for "The Hello Song"	Gestures for "The Hello Song"
<p>Hello, hello, How are you today? Hello, hello, How are you today?</p> <p>I'm fine, thank you, I'm fine, thank you, I'm fine, thank you, And how about you?</p> <p>Hello, hello, How are you today? I'm fine, thank you, And how about you?</p>	<p>Sit in a circle and listen to the song (clap along or pat knees).</p> <ul style="list-style-type: none"> • Wave as you sing the "Hello, hello" parts. • Gesture to others as you sing "How are you today?" • Point to yourself as you sing "I'm fine, thank you" • Hand gesture towards another student as you sing "And how about you?". 

6. Homework check

Check each student's homework that you set in the last lesson. Ask each student some questions about the scenes on their homework worksheet (e.g. "What's this?", etc.), give lots of praise, and then put some kind of mark on the homework sheet (e.g. a sticker, a stamp or draw a smiley face).

Finally, tell your students to put their homework back into their bags.

7. Do "Exercise routine" activity

Say the following and have the students follow your lead:

"Stand up (T stands and so does everyone else)

"Hands up / hands down" (up to 10 times)

"Jump" (up to 10 times)

"Kick (up to 10 times)

"Run! / Stop!" (up to 10 times)

"Turn around! / Stop!" (up to 10 times)

"Wiggle!" (a few seconds)

finally "Sit down".

New learning and practice:

1. Teach new vocab and play "Flashcard ghost chase"

Before class print out the flashcards for these Halloween characters: monster, witch, black cat, wizard, mummy, bat, zombie. Then on 2 or 3 backs of these cards print a ghost picture.

Explain you are going to play "Ghost chase". Show one flashcard and teach / elicit the word. Then quickly turn over the card - if the back is blank everyone is safe ("Phew!"). If the back of the card has the ghost image, shout "Ghost!" - everyone jumps up and runs to keep out of your way. You have chase everyone and tag them (they have to sit down). You can even have one of the students act as the ghost. Return everyone back to the middle of the floor to continue with the rest of the flashcards.

2. Do "Halloween paper plate mask craft"

Before class prepare enough paper plates for each student. They are going to make masks and wear them so you will also need elastic to keep the masks on.

Also prepare things for making the masks - colored pens, glitter, felt, wool, stickers, colored card, tape, glue, etc.

3. Play "Halloween walk"

Everyone is going to play a game wearing their masks. First get the "ghosts" to stand up and show you how ghosts move and ask, "What noise do ghosts make?" ("Whooooooo!"). Next get the monsters to stumble around going "Rhaaaaa!", and so on.

Finally, get everyone to stand up and then shout out instructions (e.g. "Move like a zombie!") and get everyone to move around making the sound. Here are the sounds for each character:

- ghost (Whooooooo!)
- monster (Rhaaaaaa!)
- witch (Cackle cackle!)
- black cat (Meoooooww!)
- wizard (Ho ho hoooo!)
- mummy (Grrrrrrrrrr!)
- bat (Eeekk! Eeekk!)
- zombie (Rrrrrrrrrrrrrrr!)

4. Read and write time

This segment can be part of all your lessons. Spend 10 to 15 minutes building up your students' writing and reading skills. You'll need to assess your students' reading/writing level and then choose to start at one of the following stages:

1. Beginners: students cannot read or write the alphabet.

Each lesson introduce 3 lower-case letters of the alphabet (first lesson will be a, b, c). Use flashcards to do this. Play alphabet games and do printing worksheets. **See our 'Alphabet a-z (lowercase)' mini-lesson plan for full details.**

2. Early starters: students have experience with the alphabet but need phonics practice.

Each lesson introduce 5 lower-case letters of the alphabet (first lesson will be a, b, c, d, e). Use flashcards to do this. Start by working on the sounds of the letters and then move onto letter clusters (e.g. sh, ee, etc). **See our 'Alphabet' and 'Letter clusters' mini-lesson plan for full details.**

3. Early readers.

Work on reading and writing simple sentences with lots of practice activities. **See our 'Early reading' mini-lesson plan for full details.**

4. Elementary readers: students can read and write simple sentences well.

Work on reading and writing short texts and stories. **See our 'Reading short texts' mini-lessons for full details.**

5. Sing "10 Little witches" song

This is a nice and simple song about witches for our students enjoy. It's also a great review if you have covered counting up to 10 in previous lessons – if not, no need to worry, your students will enjoy dancing to the song!

Get everybody to stand up and tell them they are going to sing a Halloween song. First play the song and show everyone the finger actions - have them all try and follow along with you as you do the actions.

Then play again and get everyone to join in. It's a very short song, so feel free to play multiple times if your students are enjoying it.

Lyrics for "10 Little Witches"	Gestures for "10 Little Witches"
<p>Verse 1: 1 little, 2 little, 3 little witches 4 little, 5 little, 6 little witches 7 little, 8 little, 9 little witches 10 little witches in a row.</p> <p>Verse 2: 10 little, 9 little, 8 little witches 7 little, 6 little, 5 little witches 4 little, 3 little, 2 little witches 1 little witch on her own.</p>	<p>This is very simple - have everyone stand up and hold their hands out with their fists clenched.</p> <p>As the song counts up to 10 (verse 1) everyone holds up a finger for each witch - by the end of the verse all 10 fingers will be raised.</p> <p>As the song counts down (verse 2) everyone closes their fingers until just one finger is left up.</p>

6. Read classroom reader "Happy Halloween!"

Before class, download and print off the reader "Happy Halloween!" from our website. As you go through each page, point to the key vocab in each picture and elicit the Halloween characters and the sounds that each one makes. Encourage your students to get up and act out each of the characters that come up in the story, for example:

Teacher: (pointing at the ghost on page 2) What's this?

Students: Ghost!

Teacher: Yes, that's right ... (reading) ... "Suddenly, a ghost appeared!"

And what sound does a ghost make?

Students: Whooooooo!

Teacher: Oh yes, very scary! Emi, can you show us your ghost? ... (Emi gets up and starts doing her ghost impression)... Brilliant! Now, everyone show me your ghost! ... (everyone get up and does their ghost impressions)

etc.

Continue through the story, asking what all the characters are. Get the students really involved in the story by asking lots of questions (e.g. about the colors, clothes and other objects in the pictures) and even ask yes/no questions about what each character is, for example:

Teacher: (pointing at the monster on page 3) Is this a mummy?

Students: No! It's a monster!

Teacher: Oh Yes, that's right! And does it go "Meowwww!"?

Students: No! "Rhaaaa!"

etc.

After reading the story, give out a reader worksheet to each student and have everyone identify the Halloween characters that were in the story. Then go through the answers as a class.

Alternatively, watch our video version of the reader on our website.

7. End with some fun Halloween activities

End the class with some fun Halloween games and actives - choose from the list below:

- **Melt the witch game:** *Materials:* A chalkboard, colored chalk, sponges, bucket of water. *Directions:* Draw a witch's head, or whole body on the chalkboard. Fill the bucket with water and sponges. Have children stand close enough to the board to be able to hit it accurately with a wet sponge. Place water bucket and sponges near this spot. Tell the children to take turns throwing wet sponges at the witch to try and "melt" her away. As the witch becomes wet and water drips down the board, it will appear as if she is melting. Be sure the children are squeezing out to the sponges before throwing.

- **Pass the pumpkin:** Students sit in a circle. Provide a plastic pumpkin for children to pass while the teacher plays some music. Children pass the pumpkin to the tempo of the music. Alternate between fast and slow. When the music stops the child who has the pumpkin stands and takes a bow. Continue.
- **Pass the vampire bat:** *Materials:* one straw for each child / bat shapes cut out of tissue paper.
Directions: Divide the class into 2 teams and line up each team. Students pass the tissue bats down the line, teammate to teammate, by inhaling and exhaling on the straw to hang onto or release the ornament. No hands! The first team to successfully pass the bats up and down the line wins!

- **Pin the tail on the black cat:** This is a take on 'pin the tail on the donkey'. Put a picture of a tailless black cat on the wall, blindfold the students, spin them around and see if they can pin the tail in the right place. The nearest wins a prize/points.

Wrap up:

1. Assign homework: "Halloween find"

Hold up the homework worksheet – this is a fun elimination activity. Model by pointing to the zombie and asking if it is a Halloween object – then color it in. Next, point to the book and again ask if it's a Halloween object – get everyone to say "No!", and don't color it in. Do a couple more.

2. Say goodbye to glove puppet

Take out the bag again and get everyone to wake up the glove puppet by shouting its name into the bag (e.g. "Cookie Monster!"). Bring out the puppet and go through the same routine - go to each student and say hello, ask their name and the say goodbye / see you. Then put the puppet back in the bag (back to sleep).

3. Sing "The Goodbye Song"

Sit together in a circle and sing and clap along.

Lyrics for "The Goodbye Song"

Goodbye, goodbye,
See you again.
Goodbye, goodbye,
See you again.

It's time to go,
It's time to go,
It's time to go,
See you next time.

Goodbye, goodbye,
See you again.
It's time to go,
See you next time.

Gestures for "The Goodbye Song"

Have everyone do the gestures with you.

- Wave as you sing the "Goodbye, goodbye" parts.
- Hold your hand above your eyes (as you would when you are looking into the distance and keeping the sun out of your eyes) and look at another student as you sing "See you again".
- Tap watch (or imaginary watch) and then point to the door as you sing "It's time to go".
- Point towards another student as you sing "See you next time".

4. Do "Quick check" and say goodbye

Time to leave the class. Make sure everything is put away and the students have gathered their belongings. Have them line up at the door and place yourself between the door and the students.

For each student hold up a Christmas flashcard and ask, "What's this?" and "What noise does it make?". When they respond correctly say goodbye and let them leave. If

they make a mistake, have them go back to the end of the line - they will have to try again once they reach the front!
